

PART TIME LECTURER/ CO-ORDINATOR FOUNDATION (0.5)
CITY & GUILDS OF LONDON ART SCHOOL - FOUNDATION DEPARTMENT

Salary: 35,000 pro rata
Closes: 1 July 2015

The City & Guilds of London Art School is an independent 'not for profit' institution, providing a valuable alternative to other models of Art education in the UK at Postgraduate, Undergraduate and Foundation levels. The Art School has a mission to foster excellence in contemporary Fine Art, Historic Carving, Conservation and Design. It does this in part by providing students with a very high level of contact time with artist tutors and professional experts.

The Art School is seeking applications for a number of key new roles for its thriving Foundation Diploma in Art and Design. The UAL Awarding Body Foundation course, of approximately 90 students, is a 1 year intensive full time course housed in specially designed studios that offer each student their own dedicated workspace and access to a range of specialist facilities. We are inviting applications from Art and Design practitioners to contribute to the delivery and co-ordination of the Foundation Diploma in Art and Design. Candidates will have experience of teaching at Foundation level 3/4 and specialist knowledge in an Art and/or Design discipline. They will also possess organisational skills, be excellent communicators and demonstrate teamwork skills and flexibility in being able to engage with students from a range of backgrounds, working across different media.

The Art School has a particular focus on skills-based teaching and a commitment to cultivate knowledge and curiosity in both the historical and contemporary contexts of our subjects. We are seeking artists and designers who can actively and positively engage in and contribute to the Art School's community.
