

How can I fund my studies?

Student Loans

If you are a UK national and studying your first Honours degree with the Art School you are most likely eligible for support from the Student Loan Company. Information on how to apply for a student loan and all other aspects of student funding is available from: www.direct.gov.uk/studentfinance and you can find detailed information about repaying your student loan [here](#). For further specific information please check:

- for residents of [England](#)
- for residents of [Scotland](#)
- for residents of [Wales](#)
- for residents of [Northern Ireland](#)
- for residents of [EU/EEA](#)

Please note: whilst for many of our courses you can obtain a student loan to cover your tuition fees, the student loan for Undergraduate courses will not cover the full amount of tuition fees. If you require financial support to cover this difference please read the following section *Are there any Grants or Financial Awards?*
